Madam:

On December 18, 2000, small entity status was established in good faith and the non-provisional filing, examination and search fees were paid in good faith in the above-identified application. However, it was recently discovered that such status as a small entity was subsequently lost on July 8, 2003. As such, Applicants respectfully submit payment for the sum of the deficiency between the amount of fees paid and the amount due after the loss of entitlement to small entity status.

The fees being paid are itemized beginning on page 2.
